***RE: Public, Educational and Government Access Television, the Comcast-Time Warner Merger and Charter Communications Acquisition of Properties***

Dear Ms. Dortch,

I and Katherine Grincewich, Counsel for the U.S. Conference of Catholic Bishops, met with Clint Odom, Policy Director for the Office of Commissioner Jessica Rosenwerfel on June 5, 2014. The subject of our meeting was Public, Educational and Government (PEG) access channels and our concerns over the merger of Comcast with Time Warner. In addition we discussed our concern over the acquisition of numerous cable systems in the upper Midwest and elsewhere in the country.

Pursuant to Section 1.1206 of the Commission's rules, this letter is being submitted electronically. Please let us know if you have any questions or need more information.

Sincerely,

Bonnie Riedel, Executive Director
