

7521274275.txt

Oh hey look at me, an actual citizen and end user! Upon review of the other comments related to this proceeding, it appears that AT&T is vying for larger profit margins at the expense of competitors and end users. I only ask that Mr. Brian J. Benison of AT&T would politely suck my hairy sack. I assume I can expect a reduction of service speed due to my aforementioned comment, however there is little to reduce.
