RE: Submission for the record to FCC Docket 04-186

Dear Ms. Dortch:

Attached please find the TV White Space DB Administrators Group (the Group) document entitled *White Space Database Administrator Group Database-to-Database Synchronization Interoperability Specification Version 1.2.3*, dated June 2, 2014.

This document contains no substantive technical changes from the *Database Interoperability Specification Version 1.2.2* submitted on 02/18/2013. Changes are of an editorial nature and intended for clarification.

Regards,
/s/ Gabor Kiss

Gabor Kiss
