Tom Wheeler, Chair
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Wheeler,

My name is Rodney A. Roberts, Division Director of Graphic Communication at Florida A&M University's (FAMU) School of Journalism & Graphic Communication (SJGC). The division currently offers a B.S. degree in Graphic Design and we are actively implementing a new Digital Media curriculum.

I am writing you with great enthusiasm and support of the Black Television News Channel (BTNC) and its partnership with the SJGC. This relationship will greatly enhance our current curriculum, and further strengthen our vision and effort of providing students with state of the art instruction, resources and opportunities.

Our students, faculty and university are poised to gain immeasurable benefits from this initiative. On behalf of my school and division, I formally offer my support of the BTNC.

Sincerely,

Rodney A. Roberts, MFA
