Tom Wheeler, Chair  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Wheeler,

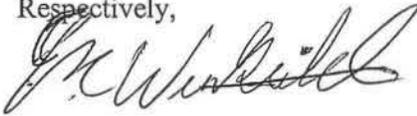

I am a senior majoring in public relations at Florida A&M University. I am also the first FAMU student to serve on the national committee for the Public Relations Student Society of America (PRSSA). I hold the position of Vice President of Advocacy.

My purpose for writing you is to offer my support to the Black Television News Channel's efforts to provide needed training and equipment resources at FAMU's School of Journalism & Graphic Communication. When the BTNC and FAMU SJGC signing ceremony was held, I spoke in favor of this important partnership on behalf of the SJGC students.

I wholeheartedly endorse the opportunity for my fellow students and students of color at colleges and universities across the country to receive updated training, mentorships and internships from BTNC. BTNC is a valuable resource that will aid our nation in developing the best minds and talents in the ever-changing multimedia industry.

Thank you for your consideration.

Respectively,

Eric Winkfield  
PR Major, Florida A&M University  
Vice President of Advocacy, PRSSA
