i am so glad i dont live in your retarded country. choke on your own fucking stupidity. killing net neutrality will eventually come back to bite you in the ass. i would be on your doorstep with a molotov at first sign that it didnt become "a fast lane and a super fast lane" but "slower than before and xxxxxxxx".

fuck you you corrupt pieces of shit. fuck you in the face with a 100 pound (since you dont use the SI system you dumb shits) rubber dong.
