**Erratum**

Telecommunications for the Deaf and Hard of Hearing, Inc. (TDI), the National Association of the Deaf (NAD), the Hearing Loss Association of America (HLAA), the Association of Late-Deafened Adults (ALDA), the Cerebral Palsy and Deaf Organization (CPADO), the Deaf and Hard of Hearing Consumer Advocacy Network (DHHCAN), and Speech Communication Assistance by Telephone (SCT), collectively, “Consumer Groups,” and the Technology Access Program at Gallaudet University (TAP), respectfully submit this correction to our June 16, 2014 filing in support of the June 10, 2014 motion of the National Cable and Telecommunications Association (NCTA) to extend the deadline for public comments and reply comments on portions of the Commission’s *Further Notice of Proposed Rulemaking* in the above-referenced proceeding. Our filing was intended to support NCTA’s proposed extension of the comment deadline to July 9, 2014, not July 19, 2014, as erroneously stated in the filing. A corrected version is attached.
