This is real and the truth

The criminal here is Mr. Lee Harrington

Mr. Harrington address 3979 Welland Ave Los Angeles, CA 90008. The other neighbors know (give lie detector test) because they would lie to protect Mr. Harrington

If you want to contact me, I am at the VA Hospital/ Domiciliary at 11301 Wilshire Blvd, Bld 214, Box 121-2 Los Angeles California 90073. mariemclean630@Yahoo.com

I use to live at 3980 Welland Ave, Los Angeles from Sept 28, 2013 to April 2, 2014. I discover That my neighbor Robert Lee Harrington, Bob Lee Harrington, or Lee Harrington(These are the names he goes by) was invading my privacy and still is spying and invading my privacy, even at my new address/ VA Los Angeles. Mr. Harrington is using technology/satellite(Remote Neural Monitoring) to see in my apartment 3980 Welland Ave when I use to live there. The other neighbors who live in the neighborhood are part of Mr. Harrington group who are spying on me and people in the neighborhood and invading my and other people privacy. Mr. Harrington have seen me use the bathroom/toilet, shower, naked and Mr. Harrington have use this Remote Neural Monitoring technology to stalk, torture, rape me in my private areas back and front, put horrible thoughts in my mind to hurt others and to hurt myself. I ask of you to put a stop to Mr. Harrington; He is a criminal who have humiliated me to the point I tried to committe suicide two times in March 2014. He invade my privacy and downloaded pictures and images on his cell phone and tablets and show it to other people in the neighborhood. He also invited people to come and watch me shower, use the toilet see me naked. He is mind controlling me by using the Remote Neural Monitoring technology. Mr. Harrington is streaming my image and pictures out to other people on the computer and making money from my nude images. This technology Remote Neural Monitoring can make Mr. Harrington read my thoughts and what I think privately to myself. Mr. Harrington and his crew or group of people who work for Mr. Harrington use this technology(Remote Neural Monitoring) to mock me, laugh at me, call me derogatory names and they torture my mind and body when I am awake or sleep.
