Re: CC Docket No. 95-116; WC Docket No. 07-149; WC Docket No. 09-109

Dear Ms. Dortch:

On June 10, 2014, on behalf of Telcordia, Inc., d/b/a iconectiv, I spoke with Clete Johnson, Chief Counsel for Cybersecurity of the Public Safety and Homeland Security Bureau by telephone. During this conversation, I informed Mr. Johnson that Venable had joined the Telcordia legal team, led by John Nakahata of Harris Wiltshire Grannis, to advise on matters of national security, cybersecurity, public safety, and law enforcement factors, as well as the relationship of number portability and the Government Emergency Telecommunications Service (GETS) and Wireline Priority Service (WPS) emergency telephone services. We discussed briefly an overview of these matters as they relate to Telcordia, Inc., d/b/a iconectiv.

This disclosure is made in compliance with 47 C.F.R. § 1.1206.

Sincerely,

*/s/ James Arden Barnett, Jr.*
