**Re: Notice of *Ex Parte* Presentation: FCC Process Reform, GN Docket No. 14-25**

Dear Ms. Dortch:

On May 29, 2014, Daniel Mah, Kimberly Baum and Zachary Rosenbaum of SES met with José Albuquerque, Karl Kensinger, Andrea Kelly, Chip Fleming, Stephen Duall, Kathryn Medley, Alan Thomas, Lynne Montgomery, Jay Whaley, Cindy Spiers and Alyssa Roberts of the Satellite Division.<sup>1</sup> In the course of the meeting, the SES representatives addressed matters relating to the Commission's two-degree spacing policy for satellites. The SES arguments were consistent with the discussion of two-degree spacing in SES's filing in the above-referenced proceeding.

Please contact the undersigned if you have any questions.

Respectfully submitted,

*/s/ Karis A. Hastings*

<sup>1</sup> Pursuant to Section 1.1206(b) of the Commission's Rules governing permit-but-disclose proceedings, *ex parte* notices are required to be filed within two business days following a meeting. 47 C.F.R. § 1.1206(b)(2)(iii). Thus, the instant notice should have been filed by June 2. However, due to an oversight, the notice was not filed by that date. SES regrets the delay and respectfully seeks a waiver of Section 1.1206(b)(2)(iii) for purposes of acceptance of this notification.
