Re: Modernizing the E-Rate Program for Schools and Libraries, WC Docket No. 13-184

Dear Ms. Dortch:

On June 16, 2014, Ben Kutler, Program Director; Nell Hurley, Director of Communications; and Brian Shih, Field Network Consultant of EducationSuperHighway and Keith Krueger, CEO of CoSN met via conference call with the following staff members from the FCC Michael Steffen, Office of Managing Director; Mark Walker, Wireline Competition Bureau; Soumitra Das, Wireline Competition Bureau; Kate Dumouchel, Office of General Counsel; and Nicholas Alexander, Office of Strategic Planning and Policy Analysis. During the meeting, EducationSuperHighway answered questions about the ESH / CoSN LAN / Wi-Fi ConnectED Cost Model. We provided additional context for the model and how we arrived at the assumptions underlying it.

Kindly direct any questions regarding this matter to my attention.

Sincerely,

/s/ Nell Hurley
