I have been a long time subscriber to RFD-TV and proud of it.
Please see to it that we all may view RFD-TV for a very long time.
I understand about the merger BUT continue to serve this large group of contented viewers of great family station RFD-TV.
We are blessed to be Americans with free choice and my #-1 choice is RFD-TV. Out of all my channels, I am constantly watching Time Warner Channel # 229.
Sincerely, Jackie Toothman
