Re: Petition For Declaratory Ruling Regarding AT&T's U-verse PEG Product, CSR-8126, MB Docket No. 09-13; Proposed Transfer of Control of DirecTV to AT&T Inc., MB Docket No. 14-90

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, this *ex parte* notice is filed on behalf of the Alliance for Community Media ("ACM"). On June 17, 2014, Michael Wassenaar, ACM Public Policy Advisor, met with Adonis Hoffman, Chief of Staff and Senior Legal Advisor, Office of Commissioner Clyburn, and Laura Arcadipane, Law Clerk, also of the Office of Commissioner Clyburn, to discuss issues in the above-referenced proceedings.

Mr. Wassenaar discussed ACM's petition in DN 09-13, which has been pending for over five years. He noted the continuing discriminatory treatment of public, educational and governmental ("PEG") access channels on AT&T's U-verse systems. He stated that PEG channels should receive equal treatment, in terms of subscriber accessibility and functionality, to local broadcast and other commercial channels on a cable system. Mr. Wassenaar also expressed ACM's concerns about AT&T's decreased willingness or ability to provide adequate PEG channel capacity following its potential acquisition of DirecTV.

If there are any questions, please feel free to contact the undersigned.

Respectfully submitted,

Tillman L. Lay
