As a DISH subscriber, I am sickened at the thought of losing RFD TV and all its wonderful programming! It is the one place I can go to and know that there will be NO vulgarity, NO obscenity, NO foul language, and NO nudity and NO violence! There are hundreds of stations that provide that gruesome and offensive programming but ONLY ONE RFD TV! I love Larry's Country Diner, Gentle Giants, Family Reunion, Presleys, Reno, Molly B, Marty Stuart, Midwest Country, and the older shows - Pop goes the Country, Hee Haw, etc.

Please tell those intrusive and greedy commercial stations and companies to GET THEIR HANDS OFF RFD TV and leave Patrick G and the rest of us in peace. We need at least one place where we can enjoy family values and clean decent programming. Is that really asking too much??
