I want the rfdtv channel to be apart of my tv choice. I enjoy the music programming. I also like the rodeo shows. I am a PRCA Gold card member. I run a few cattle and need the market reports that are apart of the channel. The American farmer provides food not only for our country but also a great deal of the world. The programs on rfdtv helps those who watch it have a greater appreciation for the services provided by the American farmers and ranchers.
