I am writing today to encourage you to keep RFD-TV as a part of your local programming. This channel is very important to my family. It is the main channel that I watch. In fact, if it is removed I will have to cancel my cable subscription. It is that important to me! All other cable channels offer shows that have foul language, adult situation and no moral values. I mainly watch RFD weekly shows Family Country Reunion and Larry's Country Diner as well as Trains & Locomotives and any Rodeo broadcast, just to name a few. **YOU CAN NOT FIND THESE PROGRAMS ON ANY OTHER CHANNEL!** Please do not remove RFD-TV. It needs to stay available for rural Americans (as well as wanna-be rural Americans) to enjoy!
