COMMENTS OF THE NAVAJO NATION

The Navajo Nation, by counsel, and pursuant to Section 1.415 of the Commission's rules, hereby submits its comments in support of the *Notice of Proposed Rule Making*, DA 14-6025 (released May 2, 2014) ("*NPRM*"), proposing both the allotment of FM Channel 258C2 to Rough Rock, Arizona, as that community's first local service, and giving the Navajo Nation a Tribal Priority for the proposed allotment.

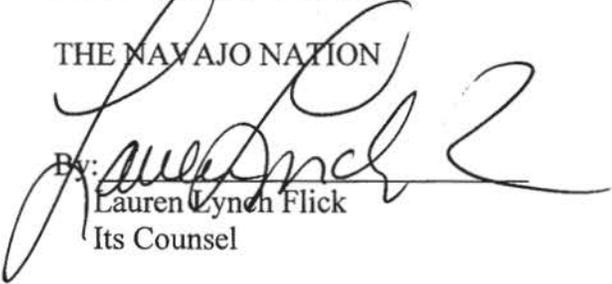

The Navajo Nation initiated this proceeding through its Petition for Rule Making. If the Commission should adopt its proposal and allot Channel 258C2 at Rough Rock, Arizona, the Navajo Nation hereby states that it will apply for a construction permit for a new FM station to operate on Channel 258C2 at Rough Rock, Arizona, and, if its application is granted, will promptly construct the new facility to serve Rough Rock and the surrounding area as that community's first local service.

Respectfully submitted,
