FCC Form 481 Filings of Nexus Communications, Inc. for Study Area Codes

Dear Ms. Dortch:

Nexus Communications, Inc. (“Nexus”) hereby files with the Commission its FCC Form 481s for program year 2015 (data year 2013) for the above-referenced study area codes (“SACs”). Nexus has filed these forms with the Universal Service Administrative Company (“USAC”) via electronic delivery and with the respective state commissions via overnight delivery. These documents contain no confidential information.

For these study areas, Nexus is a Lifeline-only eligible telecommunications carrier (“ETC”) that has been designated an ETC by the respective state commissions.

Please note that Nexus did not provide service as an ETC in these study areas in 2013, but is nevertheless filing these Form 481s so that the Commission may account for the status of these SACs.

Please contact me if you have any questions regarding this filing.

Respectfully submitted,

A handwritten signature in cursive script that reads "James W. Tomlinson".
