Dear FCC,

I am in support of RFD-TV and RURAL TV programming!

I don't understand how a few corporations can screw up so many down to earth Americans. RFD-TV and RURAL TV is grassroots programming. From Country's Family Reunion to Molly B's Polka Party, from Rodeos to Kentucky Backroads to Campfire Cafe, these and all the other programs are interesting and informative.

Please do not allow Comcast/Time Warner and AT&T/DirectTV to drop RFD-TV and Rural TV programming!

Thank you.

Denise
