RFDTV is my favorite TV channel and the favorite of most all my friends, neighbors and relatives. I view RFDTV via DirectTV at my summer home in NC and via Brighthouse cable during winter months in Bradenton FL. Most programs on RFDTV are informational and educational; they are relevant to viewers in both rural and urban areas. Other RFDTV programs are entertaining and enjoyable for all. I urge you to make RFDTV available to ALL subscribers.
