**Re: Docket No. 12-268, *Expanding the Economic and Innovation Opportunities of Spectrum Through Incentive Auctions*
Ex Parte Communication**

Dear Ms. Dortch:

On behalf of Sennheiser Electronic Corporation, pursuant to Section 1.1206(b)(1) of the Commission's Rules, I am electronically filing this written *ex parte* communication in the above-referenced docket.

On May 8, 2014, Joe Ciaudelli of Sennheiser Electronic Corporation and I met with Gary Epstein, Ira Keltz, Julius Knapp, Paul Murray, Edward Smith, Bill Stafford, and Howard Symons of the Commission staff.

Our presentation mentioned that Sennheiser planned to "explore models for purchasing UHF spectrum through reservation fees in the database system."¹

I am writing to notify the Commission that subsequent discussions of this idea within the wireless microphone community have failed to develop a consensus in its favor, and consequently, Sennheiser will not pursue the idea further.

¹ Letter from Mitchell Lazarus, counsel for Sennheiser, to Marlene H. Dortch, Secretary, FCC, attachment at 12 (filed May 8, 2014).
