Please do not let Telecomm's control and parcel off the internet for profit to the highest bidder rendering parts of the Internet hindered for individuals and start ups. Please do not let Telecomm's hinder the internet and censor parts they do not like from the citizens.

We the United States Citizens own the Airwaves of the U.S. and only allow Telecomm's to Lease it from us through the FCC, they do not own it and should not be allowed to determine who gets special treatment on it for money.
