

7521562544.txt

Keeping the Internet open and free, is akin to keeping the shipping lanes open for trade.

Under the tutelage of the United States and the US Navy, international ocean trade has been allowed to flourish. . . . Just as the Royal Navy kept the sea lanes open, before the US Navy grew to fill the role.

* * * Let's NOT start blockading our 'Internet lanes' of Commerce. * * *
