Petition for Reconsideration: FCC Appeal

Dear Sir or Madam:

I am submitting this waiver of the attached 470 and 471 for Funding Year 2014. The Form 470 number 221640001236148 had an allowable contract date of April 22, 2014. Camdenton School District selected Sho-Me Technologies, LLC, Southwestern Bell Telephone Company, AT&T Mobility, and Charter Fiberlink-Missouri as its service providers on April 23, 2014. Camdenton School District has complied with the rules and requirements of the 470 28-day competitive bidding period. Please accept the enclosed 471 for Erate approval.

Applicant Name:	Camdenton School District
Billed Entity Number:	137307
Form 470:	221640001236148
FCC Form 471:	993728
FRNs:	2711207, 2711208, 2711209, 2711210, 2710990
Service Providers:	Sho-Me Technologies, LLC, Southwestern Bell Telephone Company, AT&T Mobility, and Charter Fiberlink-Missouri

The late filing was an administrative error and misunderstanding related to the filing deadline. This lack of understanding during the filing window prevented Camdenton School District from submitting a 471 within the filing window. Based on the Bishop Perry Order and the Acorn Public Library District Order, we request these FRN's be funded and FCC actions remain consistent with this order.

Given that this case was based on merely an administrative error, regarding the submission of the 470 and 471 filing deadlines, the Parties respectfully request that the FCC process this Waiver Request and approve funding for the application for Camdenton School District.

We respectfully request that you approve this waiver request and certify Camdenton School District's application so that it may go through the review, approval, and funding process. Thank you for reviewing this waiver request. Please use the contact information below.
