Subject: price quote

Mr. Dunson

It was speaking a pleasure to you and I certainly hope we can be of service. Here the prices you requested, however I must state that we cannot transfer the Panasonic DVC-Pro, this is a rare format not widely used.

Beta SP transfers to DVD each 35.00
Beta copies \$25 ea.

150 master DVD's 5 each / total 750 @ 2.55 each this include printing text information right on to the disc.

transfers from Beta to Blu-Ray are \$65 each
Blu-Ray duplication \$10 each.

Please note we only would recommend transferring the Betas to Standard DVD because of the cost.

If you have any questions at all please contact me anytime.

Sincerely
John A. Negrete
