Commissioner Michael O'Rielly  
Federal Communications Commission  
445 12<sup>th</sup> Street, SW  
Washington, D.C. 20554

July 3, 2014

Dear Commissioner O'Rielly:

We want to urge you to preserve a free and open internet. Fast-lane, pay-to-play internet service is not good for ordinary Americans and it is not good for democracy. Please support net neutrality.

Thank you very much.

Sincerely yours,

Grace Sevy, Ph.D.

Solomon Sevy, M.D.
