

7521728901.txt

Dear FCC - I am writing for myself, my husband and son. We are all horseback riders. We have DIRECTV and we have selected that cable provider because they carry RFDTV. In the evening RFDTV has several programs that feature horses and horse clinics/programs that provide information about horses that we find extremely useful.

Please do not eliminate RFDTV from the programs that DIRECTV carries.

Thank you.

Mrs. Rhiannon Burruss
