## Functionality in Emergency Situations

### Back-Up Power

Both Rich Hill and Maitland switches have 7-8 hours of battery backup. Both have a fixed generator with auto startup that will carry the total electrical load of the building. CO's in Skidmore, Metz, Deerfield, and Richards are designed with 7-8 hours of battery backup but do not have a fixed generator. We have portable generators to backup the batteries. All DLC's are for 5-6 hours of battery backup. We have portable generators as a backup to the batteries in the DLC's.

### Rerouting of Traffic around Damaged Facilities

The Rich Hill switch's toll traffic routes to BlueBird Networks by fiber which is redundant and diverse. Maitland switch's toll traffic routes to CenturyLink by fiber which is redundant. Each DLC has a working fiber circuit with a hot standby. The same local loop serves both the voice and broadband service to the subscriber.

### Traffic Spikes

Our DLC's are designed with a 4:1 concentration ratio to our switches. Trunk capacity to BlueBird Network and CenturyLink Network is set by high busy hour traffic capacity. The switches in Rich Hill and Maitland are non-blocking. The broadband pipe to the world includes enough capacity to carry 20% more data than at peak usage times.

### **Lifeline Assistance Program Terms and Conditions**

#### **Lifeline Assistance Eligibility**

The LIFELINE ASSISTANCE PROGRAM and the DISABLED PROGRAM are plans which assist qualified low-income applicants with reductions in their monthly local exchange service rate. The applicant applies for a single telephone line at the applicant's principal place of residence. The Lifeline Program is limited to one benefit per household, consisting of either wireline or wireless service. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program. Qualified applicants of LIFELINE shall have their monthly local exchange service rate reduced by the federal support of \$9.25, in addition to the state support of \$3.50. Qualified applicants of the DISABLED program are eligible for state support of \$3.50. Eligibility is reviewed annually. To establish continued eligibility, Lifeline subscribers will need to submit an annual recertification form signed under penalty of perjury that you still participate in a qualifying program or meet the income-based eligibility threshold. Your benefits will be discontinued when you no longer meet the requirements or when the annual recertification form is not received. Customers who are no longer eligible for Lifeline benefits must notify their service provider.

To be eligible for LIFELINE, an applicant must participate in one of the following:

- MO HealthNet (f/k/a Medicaid)
- Supplemental Nutrition Assistance (Food Stamps)
- Supplemental Security Income
- Low-Income Home Energy Assistance (LIHEAP)
- Federal Public housing Assistance (Section 8)
- National School Free Lunch Program
- Temporary Assistance for Needy Families(TANF)
- 135% of the Federal Poverty Level

To be eligible for the DISABLED program, an applicant must participate in one of the following:

- Veteran Administration Disability Benefits
- State Blind Pension
- State Aid to Blind Persons
- State Supplemental Disability Assistance
- Federal Social Security Disability
- Federal Supplemental Security Income

Applications are available by contacting KLM Telephone Company at 888-438-4490.

#### **Numbers of Minutes-of-Use Provided as Part of Lifeline Program Service**

KLM Telephone Company's Voice lifeline service includes unlimited local minutes-of-use within the toll-free calling area. KLM's Voice Lifeline Plan does not include any free minutes-of-use for toll. Toll is billed at the standard toll rate depending on which interexchange carrier the consumer subscribes to for toll service. As part of the Lifeline service, Toll blocking is available to eligible consumers at no cost.

### **Rates**

Subscribers may receive the Lifeline credit on any type or grade of local service, including bundled services that are normally offered by KLM Telephone Company. Advertised rates do not include any applicable taxes or surcharges.

### **Recertification of Lifeline Eligibility**

Lifeline recipients are required to recertify their eligibility annually. Failure to properly recertify a recipient's continued eligibility for Lifeline will result in termination of the Lifeline recipient's monthly Lifeline discount and de-enrollment from Lifeline.

### **Additional Lifeline Program Information**

Lifeline is limited to one benefit per household, consisting of either wireline or wireless service. A household is defined as an individual or group of individuals who live together at the same address and share income and expenses. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

Contact KLM Telephone Company at 888-438-4490 for additional information on the Lifeline program or for an application.
