Re: RM-11719

Ex Parte letter

Dear Ms. Dortch:

The Land Mobile Communications Council ("LMCC") has reviewed the July 8, 2014 *ex parte* letter from M2M Spectrum Networks, LLC ("M2M") in the above-identified proceeding. The LMCC appreciates M2M's clarification of the record in this matter with respect to the party that orchestrated comments opposing the LMCC's Petition for Rulemaking. The fundamental issue remains the same, however; when evaluating the weight that should be given to comments, the FCC should consider their origins as well as their substance.

Respectfully submitted,

/s/
