As a subscriber of DIRECTV, I consider RFD-TV as my NUMBER ONE channel for Rural -Country Information. As a strong fan of COUNTRY MUSIC, RFD-TV provides GREAT PROGRAMS. If MERGER goes thru between AT&T and DIRECTV and they do not continue to provide this channel, I will be forced to find another carrier that WILL PROVIDE THIS CHANNEL. RFD-TV is an excellent channel for information on rural living. Patrick Gotsch is doing a GREAT JOB getting information to us viewers. Keep up the good work, Patrick. All of us appreciate you and your programers. Thank You.
