Getting rid of Net Neutrality, would go against the Freedom of Information Act and the Freedom of Speech Act. By letting the rich and Corporate America control the flow and content of information we receive. Sorry but I don't want to live in a world that was depicted in the Novel and Movie of George Orwell's Nineteen Eighty-Four, sometimes published as 1984. If you haven't read the book or seen the movie I suggest you do one of them. Here is a link to the movie trailer. `<iframe width="420" height="315" src="//www.youtube.com/embed/Z4rBDUJTnNU" frameborder="0" allowfull screen></i frame>`
