

7521735598.txt

I am a direct tv subscriber. After hearing that AT&T and Direct tv are merging I fear that ATT Will drop RFD tv from their programming. Please understand rural poeple do not have cable and like to watch programming that applies to them. Direct tv as a large population that lives in the rural parts of the U.S. PLEASE KEEP RFD TV ON DIRECT TV'S PROGRAMING.
MIKE
