I've been w/Directv since it was Primestar. That IS dedication. RFD-TV IS real TV, NOT reality TV. We (me & my grandson) sit and watch RFD-TV MOST if not all of our Tv viewing time. RFD-TV IS a wholesome family channel that you ARE NOT afraid of what's being viewed. My grandson IS AMAZED to see where the goods and services come from that we use on a daily basis. RFD-TV IS A GOOD TEACHING TOOL. If AT&T drops RFD-TV, I WILL NOT hesitate dropping AT&T. As long as AT&T supports RFD-TV I WILL support AT&T.

Thank You
