hi I just would like to take a moment to say how important it is to me and my family to have R.F.D. t.v in my house. I have a seven year old girl in my house. I have a hard time finding good t.v for her to watch. here I have it. I don't have to worry about what she will see. it also helps get her involved in 4-H. and live stock, I don't mean cattle or anything like that. she loves her chickens. she can relate with this channel. I don't want her to relate with main stream channels. that just show blood , guts , sex , and drug use. she is seven. she needs a safe place, she has it here,... thank you for your time ////////// JACOB DAVIDSON
