Ladies and Gentlemen:

We have watched RFD-TV for the past 7 years on Direct-TV, and we hope to continue to do so for the rest of our lives. My husband and I watch many of the RFD-TV shows daily. If the channels are taken away with the merger of Direct-TV with ATT, we will be disappointed enough to cancel the service.

RFD-TV is entertaining and informative for the whole family. When our grandchildren are here, they can watch anything on RFD-TV. We do not have to worry about what they watch like we do on other channels. The channel has good clean programs for all the family. It is our belief that this channel must stay on the air.

Thank you,

Mrs. Carolyn S. Partlow
