Re: *Petition of Telcordia Technologies, Inc. to Reform or Strike Amendment 70, to Institute Competitive Bidding for Number Portability Administration and to End the NAPM LLC's Interim Role in Number Portability Administration Contract, WC Docket No. 09-109; Telephone Number Portability, CC Docket No. 95-116*

Dear Ms. Dortch,

Pursuant to the procedures outlined in the *Revised Protective Order*,<sup>1</sup> I hereby submit a revised Acknowledgement of Confidentiality for Eric Burger who will be serving as an expert to Telcordia Technologies, Inc., d/b/a iconectiv, in order to obtain access to Confidential and Highly Confidential materials in this proceeding. The revised acknowledgment is being submitted at the request of counsel for Neustar, who objected to Dr. Burger's prior acknowledgment because it did not list an affiliation for Dr. Burger. Telcordia does not believe this is a proper objection because Dr. Burger is acting as a consultant in his individual capacity and not as an affiliate of any company or organization. Nevertheless, in an effort to resolve the objection, Telcordia is submitting a revised acknowledgment listing his academic position, while making clear that Dr. Burger will be serving as a consultant in his individual capacity.

Respectfully submitted,

/s/  
Mark D. Davis  
*Counsel to Telcordia Technologies, Inc.,
