This is the most fucking ridiculous idea I have ever heard. You can't cull out the competition for fucking internet connections you stupid fucks. HOW CAN WE HAVE FREEDOM. OUR CONSTITUTIONAL AND HARD EARNED RIGHT WITH STUPID LAWS THAT RESTRICT OUT INDEPENDENCE ON SUCH TRIVIAL THINGS LIKE OUR INTERNET. STOP TRYING TO CONTROL US. WE SHOULD BE FREE TO CHOOSE WHAT BLOODY PROVIDER TO HAVE, AND THEY SHOULD ALL HAVE A CHANCE TO BE EQUAL. PULL ALL THESE PRICKS AT FUCKING TIME WARNER OUT OF YOUR ASSES AND DO YOUR JOBS.
