Re: WC Docket No. 12-375, Response to Mandatory Data Collection

Dear Ms. Dortch:

Securus Technologies, Inc. (“Securus”), through counsel, re-submits the Public Version of its cost study that was filed on July 17, 2014, in response to and in compliance with the Commission’s Instructions¹ and the requirements of Paragraph 125 of the *Inmate Rate Order*.² No data, information, statements, or conclusions have changed in this data. The only changes are that Securus has removed several redactions from the documents. As such, the documents remain dated July 17, 2014.

This filing contains less redacted forms of all three documents that Securus previously filed: the Report of FTI Consulting, Inc.; a set of Attachments; and the cost data requested by the Commission in a native .xls file and in .pdf format.

Please do not hesitate to contact me with any questions: 202.857.6081.

¹ WC Docket No. 12-375, *Instructions for Inmate Calling Services Mandatory Data Collection*, OMB Approval 3060-1196 (rel. June 16, 2014); *see also* WC Docket No. 12-375, *Commission Announces Inmate Calling Services Data Due Date*, DA 14-429 (rel. June 17, 2014). Securus is aware that the Wireline Competition Bureau has since granted a 30-day extension of time to file submissions for the Mandatory Data Collection. Securus will file the additional required data before that modified due date of August 18, 2014. Order, DA 14-993 (rel. July 11, 2014).

² WC Docket No. 12-375, Report and Order and Further Notice of Proposed Rulemaking, FCC 13-113 (rel. Sept. 26, 2013), published at 78 Fed. Reg. 67956 (Nov. 13, 2014) (“*Inmate Rate Order*”).
