please consider that these mergers could limit my ability to choose what I or my family view. I wrote emails to my local cable company, to pick up RFD TV, they finally contracted RFD TV, I pay extra for this channel, and am happy to pay. This is a educational channel, for farming, ranching, agriculture, wild life, entertainment is wonderful.

The news, are issues that I am concerned with. In the state of Ohio, Agriculture is our Largest Industry, yet I have to pay extra, to watch news related to Agriculture and programing, that allows me to educate myself and family, in Agriculture and rural events. I also am very concerned when Two become One, and their competition is less, programing gets limited, advertising as a Business man is

are harder negotiate, because of limited competi on in providers. I have faith you will, please consider my concerns.
