### **Project Status Description**

Pursuant to Section 54.1009(a)(6) of the Commission's rules,<sup>1</sup> East Kentucky Network, LLC ("Filer") submits that there is no material updates to its project description, included the projected budget, associated with this Study Area Code that was provided by Filer in its FCC Form 680 filed in conjunction with its Auction 901 winning bids.

In its FCC Form 680, Filer explained that in order to provide advanced wireless broadband service, Filer is using the proceeds from auction 901 to expand its footprint with new cell sites, and supplementing its existing network footprint with 3G service. Specifically, utilizing the 850 MHz, 1900 MHz, along with the 700 MHz spectrum band, Filer intends to provide high speed, broadband data services over 3G. Further, installation of new cell sites and the overlay of 3G will enable Filer to meet its public interest obligations to provide rural Kentucky citizens with access to advanced telecommunications and information technologies that are reasonably comparable to those available in urban areas.

As of this date Filer had completed its network design, and has substantially completed construction of its network, and its expenditures to date disclosed in the Form 690 herein includes network design, construction, and maintenance. Filer anticipates that it will deploy the network in the areas associated with this study code by no later than the construction deadline of July 18, 2015.
