Regarding RM-11727

I am R.C. Amer, President of Vision Communications, Inc. and owner and operator of KADI-FM.

I heartily support the FM Class C4/ 73.215 petition filed by SSR communications and urge the Commission to adopt the proposal.

With the smaller wattage of our station, it is increasingly difficult to compete in the local marketplace. With the uneven terrain in our area, providing solid coverage is almost impossible.

In order to help us serve the public in a more effective manner, please approve the above mentioned petition as soon as possible.

Sincerely,

R.C. Amer  
President  
Vision Communications, Inc.
