

Batesville Broadcasting Co., Inc.
P.O. Box 1528
Batesville, MS 38606

Before the Federal Communications Commission
Washington, D.C.

In the Matter of: Proposed Rulemaking RM-11727
Class C-4 FM Stations
Section 73.215
Petition as Filed by SSC Communications, Inc.

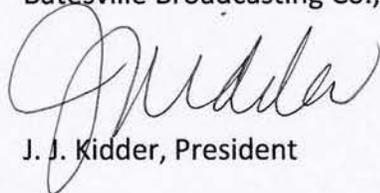

To the Commission:

Comes, now, Batesville Broadcasting Company, Inc., Licensee of FM Station WHKL, Crenshaw, Mississippi to express support of the above captioned matter.

This proposal, when adopted, would permit many Class A stations to increase power...enabling them to better serve the public interest of persons within its service area.

We urge the Commission to institute a formal rulemaking proposal to ascertain the public interest.

Sincerely,
Batesville Broadcasting Co., Inc.

J. J. Kidder, President
