Commissioner  
Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Re: Comcast/TWC/Charter docket MB DN 14-57

Dear Commissioner

The Committee for Media Access is a group of Chicago residents and nonprofits working together to  
protections for public, educational and government access (

2. Funding and capacity agreements that allow for local public access television channels to grow and evolve as cable grows and evolves.
