Re: Appeal by Snyder County Libraries, BEN 125870, for failure to file 471 on time

To Whom It May Concern:

I failed to file a timely 471 for the 2014-2015 year to USAC, for our libraries' internet and telecomm services that were in 3 year contracts and had already been funded by e-rate last year. I misunderstood the process, and didn't realize that I needed to file a 471 for these services every year.

I mailed the completed 471 to USAC on August 6, 2014 and expect it to be posted soon. I have included with this appeal a copy of each contract.

I apologize for this, and ask that you grant my appeal, so that we can receive the e-rate funding we were expecting. It amounts to a total of \$3,734.51 in funding, which is way more than our budget can absorb, because we are a small, rural library system.

If you need any additional information, please contact me at 570-374-7163, ext. 2 or scldir@ptd.net.

Thank you very much.

Sincerely,

Pamela G. Ross
