To whom it may concern, RFDTV is very important to our family, it is something that we can enjoy and know that it is not going to have curse words or obscene or filthy things that wouldn't be okay for the whole family to watch. We enjoy the programming that they have, which is not like the things on the other channels, it's really hard to find anything to watch on some of these networks, that is why a lot of us people watch these old shows from years ago, because they are decent and enjoyable, because we know that we won't be hearing foul language, and there won't be any nudity or sex scenes. Thank you for your time, God bless America!!!
