Motion for Reconsideration of Dismissal and Denial of Motion for Summary Judgment

Pursuant to Federal Rules of C P Rule (58, 59, 60) Curtis J Neeley Jr submits this motion with concurrently filed supporting brief in compliance with Local Rule 7.2 seeking reconsideration of Doc. #22. The moral protections given EM/ECF filings by Doc. #18 encouraged this Plaintiff to believe this District Court became moral compared to Hon Jimm Larry Hendren's prior promotion of pornography. Hon T.L.B.'s District Clerk "Sherry" advised Plaintiff of gracious permission to seek reconsideration before an appeal. Curtis J. Neeley Jr. prays the District Court considers every rational listed in the concurrently filed "Supporting Brief" written and broadcast by wire to prevent needing to appeal. All documents filed in this litigation are accessible from FCC.gov and will become the most impacting writings since Rev Martin Luther's "*The Ninety-Five Theses on the Power and Efficacy of Indulgences*" in 1517 due to disputing the power and efficacy of indulgences in "online" pornography allowed for anonymous consumption after creation of "online" evil "pornography indulgences" ruled now to include art labeled "*not fit for anonymous consumption*" after *Reno v ACLU*, (1997) was asserted for children by *Ashcroft v ACLU*, (2002, 2003, 2004). ALL this immorally is extended now to allow "*unsolicited and undesired indexing of art*" labeled as "*not fit for anonymous consumption*" and art left carelessly unrated for anonymous judges, minors, or others to "*indulge*" in to increase the profitability of hazardous, unsafe indexing of unrated JPG images to further harm humanity. A new trial is plead for in the Supporting Brief. Brief entered is hoped to be considered by Hon T.L.B. fully and is concurrently submitted to the entire public.

Plaintiff, Curtis J Neeley Jr, most respectfully affirms under penalty of perjury this will be filed and scanned by the United States Court for the Western District of Arkansas and will be mirrored free "online" at TheEndofPornbyWire.org within twenty-four hours and be made available perpetually for free. The Western District of Arkansas has far too many cases for timely consideration. This is the final opportunity for Hon T.L.B. to rule morally and not be permanently associated with intercepting this attempt. This issue is a matter of organized criminal enterprises violating communication laws allowed by the F.C.C. and U.S. A.G.

Respectfully Submitted,
