

7521755234.txt

I strongly oppose this merger. I strongly oppose the marginalization of the best programming, such as RFD-TV and Rural TV on these cable and satellite stations. I strongly oppose the intentions of the FCC and media groups to do away with patriotic America. Of course we would like to have the ability to enjoy the VERY very few programs that are worth watching on TV. I will drop any carrier who does away with these few stations and programs that I watch.
