

7521756841.txt

RFDTV is one of the 3 channels we watch out of our 250 channel satellite package. It is the one channel we don't have to worry about our children seeing inappropriate commercials. Our family enjoys watching a variety of RFDTV programming. If RFDTV is removed from programming we will most likely be canceling our satellite service. There is very little worth watching as it is!

Sincerely,
Aimee Lee
