Re: ViaSat, Inc., Notice of Ex Parte Presentation

WC Docket Nos. 10-90, 14-58, 07-135, 05-337, and 03-109; GN Docket No. 09-51; CC Docket Nos. 01-92 and 96-45; WT Docket No. 10-208

Dear Ms. Dortch:

On Thursday, August 7, 2014, Michael Rapelyea of ViaSat, Inc. and the undersigned counsel to ViaSat had a telephone conversation with Jonathan Chambers, Chief of the Office of Strategic Planning. We discussed ViaSat's positions of record regarding the significant role that satellite-delivered broadband should play in the Commission's universal service reform efforts. *See, e.g.*, Comments of ViaSat, Inc., WC Docket No. 10-90 (Apr. 18, 2011); Comments of ViaSat, Inc., WC Docket No. 10-90 (Feb. 19, 2013); Comments of ViaSat, Inc., WC Docket No. 10-90 (Mar. 28, 2013). We also emphasized that ViaSat's satellite broadband services can meet any reasonable, technology-neutral standards that the Commission may establish in these proceedings.

Please contact me with any questions.

Respectfully submitted,

/s/ John P. Janka
