Re: *Expanding the Economic and Innovation Opportunities of Spectrum  
Through Incentive Auctions, GN Docket No. 12-268  
Notice of Oral Ex Parte Communication*

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, this submission provides notice that on August 7, 2014, on behalf of LocusPoint Networks, LLC, the undersigned, along with Carl Northrop of Telecommunications Law Professionals PLLC, spoke by telephone with Howard Symons of the Incentive Auction Task Force regarding the above-referenced docket. Specifically, Mr. Northrop and I discussed with Mr. Symons the Commission staff's concern that possible changes in the reverse auction rules on prohibited communications to encourage more broadcasters to participate could raise the risk of strategic behavior that would be harmful to the reverse auction process.

Please direct any questions concerning this submission to the undersigned.

Respectfully submitted,

Jonathan V. Cohen
